OPTIONS and OTHER:

New Bubble 12/00  
High Skids with step  
Cargo Hook with electric and manual release  
Garmin SL 40 Comm  
GTX320A Transponder  
SPA 400, 3-place intercom  
DG (currently disconnected)  
New Interior  
Three place, shoulder harness belts  
Dual Controls – Co-pilot side is removable  
Cabin Heater  
Current Annual Inspection (September 2009)

The STC which allows the T-63 to be installed also allows almost any variant of the T-63 or commercial Rolls Royce/Allison 250. You have a lot of options for powering this aircraft.

Impeccable records

\$ 225,000

This is a VERY nice executive helicopter, but we have everything needed to make it a spray ship if you're looking for a work machine
